Preface

Design and literature can serve as basic knowledge development. De-lite as an academic journal is one of the contributions of thought of collecting guidelines for policy and practice, exchanging information, a source of academic discourse, an arena for the dissemination of ideas, research results provide evidence of an effect, engender new ideas and directions in the area of visual communication of design. This edition of Vol 1 No.2 December 2021, de-lite: Journal of Visual Communication Design Study & Practice has been officially recognized by the Indonesian Institute of Sciences (LIPI) with the issuance of E-ISSN: 2798-3595. De-lite will publish twice a year in every July and December.

In this 2nd edition, there are interesting topics of the design process for Typography Design of Vernacular study from Tana Toraja and Designing Brand Identity of Es Buntin Pasar Lama Tangerang. Another topic of dissemination of idea by Analysing Content of a Novel “Si Anak Special” for Designing the Illustration. Interesting articles for design awareness for children, Increase Positive Perception of Visual Communication Design as Profession to Elementary School Students and Learning Method of Visual Journal as Storytelling for Emotion Regulation Expression for Children.

Appreciation for universities that have collaborated in publishing the second edition of de-lite, for Universitas Multimedia Nusantara, Universitas Ciputra, and Universitas Mercu Buana. We would like to express our gratitude to the contributors and authors who have contributed scientific thoughts in various visual communication design topics.
